

## Linearis Comfort upper section L: 850 mm, System 125, WaD, K 3

### Article information

Item no.: 48929M  
 GTIN: 4026092079058  
 Price group: 10

### Advantages

- Individual design with reversible stainless steel insert
- Highest fire protection standards
- Low installation depth

### Description

Used in combination with a drain body of the KESSEL 125 modular system, the Linearis Comfort upper section is suitable for use as indoor linear drainage.

|                                            |                                                            |
|--------------------------------------------|------------------------------------------------------------|
| Variant                                    |                                                            |
| System:                                    | 125                                                        |
| SonicControl:                              | open                                                       |
| Waterproofing layer on the upper section:  | Factory-fitted sealing collar (WaD) according to DIN 18534 |
| Water supply:                              | W3-I                                                       |
| Sealing water height:                      | 50 mm                                                      |
| Discharge rate (l/s) with 10 mm backwater: | 1,1                                                        |
| Discharge rate (l/s) without backwater:    | 1 mm                                                       |
| General characteristics                    |                                                            |
| Nominal size (DN):                         | 125                                                        |
| Outer diameter (OD):                       | 125 mm                                                     |
| Dimensions                                 |                                                            |
| Net weight:                                | 3,63 kg                                                    |
| Gross weight:                              | 4,36 kg                                                    |
| Outer dimension, length:                   | 915 mm                                                     |
| Installation depth:                        | 80 - 140 mm                                                |
| Width:                                     | 243 mm                                                     |
| Height:                                    | 110 mm                                                     |
| Packaging dimension:                       | length                                                     |
| Packaging dimension:                       | width                                                      |
| Packaging dimension:                       | height                                                     |
| Coverage features                          |                                                            |
| Type of cover:                             | Stainless steel cover                                      |

|                         |                       |
|-------------------------|-----------------------|
| Cover material:         | Stainless steel 14301 |
| Colour of cover:        | silver                |
| Surface:                | Brushed SST           |
| Frame material:         | Stainless steel 14301 |
| Cover locking:          | placed                |
| Load class:             | K 3 (EN 1253-1)       |
| Grating colour:         | optionally tileable   |
| Rim length:             | 66 mm                 |
| Rim material:           | 850 mm                |
| Shape of upper section: | square                |
| Upper section material: | ABS                   |
| Odour trap:             | included              |
