

Drain body for light liq trap, w. backwater valve

Article information

Item no.: 52102 GTIN: 4026092085165 Price group: 10

Description

The polymer drain body is equipped with a removable backwater valve with two backwater flaps, one hand-lockable emergency closure as well as an integrated odour trap and sludge bucket. Heating oil density:	0.865 g/cm3
Variant Emergency closure: Sealing water height: Discharge rate (l/s) with 20mm backwater:	yes 60 mm 1
General characteristics Standard: Nominal size (DN): Outer diameter (OD): Backwater protection:	EN 13564 100 110 mm Type 5
Dimensions Vertical adjustment: Net weight: Gross weight: Installation depth: Vertical adjustment: Length: Width: Height: Packaging dimension: Packaging dimension: Packaging dimension:	30 - 90 mm 2,2 kg 2,2 kg 216 - 276 mm vertically adjustable upper section 320 mm 243 mm 190 mm length width height
Tank/drain body Material of drain body:	Polymer

Coverage features Upper section material: Odour trap:

Polymer included
